

INVITED FACULTY MEMBERS

B. ABRAHAMSEN (DK)	L. DEGLI ESPOSTI (I)	L. McCABE (US)
R. ADLER (US)	D. DEMPSTER (US)	E. McCLOSKEY (UK)
N. APPELMAN-DIJKSTRA (NL)	L. DI FILIPPO (I)	S. MINISOLA (I)
G. BANFI (I)	M. DOGA (I)	N. NAPOLI (I)
M. BARBAGALLO (I)	R. EASTELL (UK)	R. NUTI (I)
R. BERNARDINI (I)	P. EBELING (AUS)	A. ODONE (I)
A. BERRUTI (I)	H. FALHAMMAR (S)	R. PACIFICI (US)
G. BIANCHI (I)	S. FERRARI (CH)	S. PAPAPOULOS (NL)
J.P. BILEZIKIAN (US)	M. FLESERIU (US)	R.J. PIGNOLO (US)
N. BINKLEY (US)	A.M. FORMENTI (I)	M. RAUNER (D)
D.M. BLACK (US)	S. FRARA (I)	I.R. REID (NZ)
J. BOLLERSLEV (N)	E. GHIGO (I)	L. REJNMARK (DK)
M.L. BRANDI (I)	S. GIANNINI (I)	R. RIZZOLI (CH)
E. CANALIS (US)	A. GIUSTINA (I)	C. ROSEN (US)
F. CASANUEVA (E)	C. GLUER (D)	K. SAAG (US)
I. CHIODINI (I)	S. GONNELLI (I)	D. SHOBACK (US)
R. CIVITELLI (US)	M. HEWISON (UK)	H. SIGGELKOW (D)
A. COLAO (I)	G. IOLASCON (I)	F.M. ULIVIERI (I)
J. COMPSTON (UK)	B. LANGDHAL (DK)	A.J. van der LELIJ (NL)
F. COSMAN (US)	P. MAKRAS (GR)	G. WEBER (I)
L. DE MARINIS (I)	C. MARCOCCI (I)	

PATRONAGE REQUESTED

Città metropolitana di Milano
Ordine dei Medici Chirurghi e degli
Odontoiatri della provincia di Milano
ASBMR - The American Society for Bone
and Mineral Research
ECTS - European Calcified Tissue Society

ES - Endocrine Society
ESE - European Society of Endocrinology
SIE - Società Italiana di Endocrinologia
SIOMMMS

Fondazione Giovanni Lorenzini

FONDAZIONE GIOVANNI LORENZINI
MILAN, ITALY  GIOVANNI LORENZINI
MEDICAL FOUNDATION
NEW YORK, NY, USA

CME / EACCME ACCREDITATION AND LANGUAGE

The 9th eSEM Skeletal Endocrinology Meeting programme will be submitted for accreditation by the European Accreditation Council for Continuing Medical Education (EACCME) and the Italian Educazione Continua in Medicina (ECM) for Physician (Medico Chirurgo).

The official language is English. Translation will be not provided

EDUCATIONAL TARGET

Application of Evidence-Based-Practice (EBM-EBN-EBP)
principles and procedures in daily practice

LOCAL ORGANIZING COMMITTEE

CHAIR: **P. Mortini** (I)

SECRETARY: **S. Frara** (I)

MEMBERS: **L. Castellino** (I), **L. Cerri** (I), **M. Doga** (I), **P. Loli** (I), **F.M. Ulivieri** (I)

REGISTRATION

Online registrations will open soon. For further information please contact skeletal2021@aicgroup.it

Delegate registration fee € 150,00 + 22% taxes

(fee includes: participation to live event, Ecm/Eaccme certificate, possibility to download all educational material registered during the meeting)

9th eSEM SKELETAL ENDOCRINOLOGY MEETING

PRELIMINARY PROGRAMME

19/20 FEBRUARY 2021

CME / EACCME LEE Event
(Live Educational Event)

PRESIDENT

Andrea Giustina (I)

SCIENTIFIC COMMITTEE

CO-CHAIRS

J.P. Bilezikian (US), **E. Canalis** (US)

MEMBERS

M.L. Brandi (I), **R. Civitelli** (US)

A. Colao (I), **S. Ferrari** (CH), **N. Napoli** (I)

R. Nuti (I), **R. Pacifici** (US)

ORGANIZING SECRETARIAT and PROVIDER (ID 5468)

Recorded Sessions (NO CME / EACCME)

- 45 minutes **Rare Bone Disease lecture**
FOP: from bench to bedside
The identification of adult-presenting hypophosphatasia in a metabolic bone clinic setting
- 50 minutes **Bone Neuroendocrine Symposium**
Growth hormone, GHD and bone
Medical treatment of acromegaly and osteopathy
Osilodrostat for Cushing osteopathy
- 50 minutes **Bisphosphonates: an update**
Alendronate cost effectiveness of long term treatment
Bisphosphonates and cardiovascular risk
Zoledronate systemic effects beyond bone

Live Sessions (Italian time)

- 12.30 - 12.45 am **Opening Congress**
- 12.45 am - 2.00 pm **Satellite Symposium: Hypovitaminosis D: a socio-economic problem with huge clinical impact which requires a structured intervention plan**
The Epidemiologist perspective
The pharmacoeconomist perspective
The clinician perspective
The regulatory body perspective
Discussion
- 2.00 - 3.00 pm **The changing spectrum of GIO**
Congenital adrenal hyperplasia
Prostate cancer
Gut microbiota
Discussion
- 3.00 - 3.20 pm **Opening lecture**
Bone marrow adipose tissue: pathophysiological and clinical insights
- 3.20 - 4.20 pm **Session I: Assessment of fracture risk: do we need DXA?**
BSI
Diffusion MRI
Microindentation
Discussion
- 4.20 - 5.20 pm **Session II: Denosumab what's new**
Persistence of modeling based bone formation
Diabetes related bone loss
Safety
Discussion
- 5.20 - 5.40 pm **Plenary Lecture**
Imminent fracture risk and the role of anabolic therapy

Live Sessions (Italian time)

- 2.00 - 2.15 pm **Mini Lecture**
The obese osteosarcopenic phenotype in breast cancer bone loss
- 2.15 - 3.30 pm **Session III: Bone metabolism and COVID-19**
Hypocalcemia
Vitamin D
Fractures
Antiosteoporotic treatment
Discussion
- 3.30 - 4.45 pm **Session IV: Hypoparathyroidism a systemic**
Kidney
Brain
Quality of life
Perspectives on treatment
Discussion
- 4.45 - 5.45 pm **Session V: Bone anabolic treatments**
Teriparatide
Abaloparatide
Novel potential targets
Discussion
- 5.45 - 6.30 pm **Session VI: Romosozumab**
An update on clinical results
An update on safety
Discussion
- 6.30 - 6.50 pm **Closing lecture**
Algodystrophy: what's new
- 6.50 - 7.00 pm Final discussion and conclusive remarks
- 7.00 - 7.10 pm CME / EACCME test instructions
